# MESSAGE FROM MANAGEMENT

---

We believe a business is not successful if it is only committed to profit. It has to be an activity which creates prosperity and well being for all those who are connected with it directly or indirectly. Profit is only a by-product reflecting how well we are carrying out the business activity.

---

## OUR MISSION

To serve the esteemed customers and to contribute to rebuilding Iraq and support Oil & Gas Companies, Power generation plants & power distribution substations which are working in Iraq with excellent services.

## OUR VALUES

- Safety – Embracing a culture to Protect our employees & Clients
- Integrity – Being Honest & doing what is right
- Talent – Keeping the best
- Quality – Delivering what is required
- Customers – follow up & healthy communication with client
- Result – meet Customer satisfaction

# 24+ YEARS OF EXPERIENCE

ALKHORA is built upon the strengths of several individual, complimentary areas of expertise which create a cohesive team enabling us to successfully accomplish tasks as a single, interconnected and seamless organization.

# WHY US

ALKHORA draws from the background of real-world extensive experience in Iraq. With our intimate knowledge of Iraqi culture and laws, we can easily navigate through the rules and regulations of this unique work environment.

## Our Commitment to safety, Health and Environment

ALKHORA foster a culture that is founded on putting safety first. Our continuous development of safety controls ensure that work is performed using safe work practices and adherence to environmental control. From Basic workplace safety measures to Handling Hazardous, ALKHORA continuing training their staff increase their skills to safely execute the work complying with OSHA standards and our client's requirements.

Attention to Details

A Plan for Success

Creativity

Experts Only

Award-Winning

**Our financial stability allows us to operate debt free supporting numerous contracts over all regions of Iraq.**

# OUR SERVICES

ALKHORA is well-known as a dependable and timely provider for a commercial & Government entities operating in the fast paced and ever-changing environment of Iraq.

## Mechanical Services

ALKHORA is a supplier of complete range of industrial gaskets conforming to all international standards,

- Valves & Fittings
- Fasteners and stud bolts
- Sheet plates
- Pipes
- Filters
- Flow & temperature meters

In addition, we excel at speed, flexibility, and convenience when getting critical industrial supplies to our customers

---

## Electrical & Instrumental Services

We provide an innovative specialized electrical service that incorporates highly skilled solutions for all aspects of electrical and instrumentation projects and hazardous area installations, from construction verification, quality assurance, completions (handover and turnover) pre-commissioning, commissioning and energization to operations and maintenance.

Our project and construction expertise are based on involvement across a wide variety of sectors and industries, including Oil & Gas, Materials Handling, Power Generation, Heavy Fabrication, Infrastructure, Water and Mining. Offering our services as an integrated solution enables complex projects to be completed and managed by a single service provider, leading to a smooth, seamless solution for all your Electrical and Instrumentation needs.

## Laboratory Devices & Furniture

ALKHORA has shares with one of the largest manufacturers of laboratories furniture in the world, which has its core business on three essential areas:

- Technical Furniture and Fume Cupboards.
- Turn-Key Projects for Laboratory and Hospital Critical Areas.
- Technological Solutions for Laboratories and Controlled Environments.

## Maintenance Services

Our project and construction expertise are based on involvement across a wide variety of sectors and industries, including Oil & Gas, Materials Handling, Power Generation, Heavy Fabrication, Infrastructure, Water and Mining. Offering our services as an integrated solution enables complex projects to be completed and managed by a single service provider, leading to a smooth, seamless solution for all your Electrical and Instrumentation needs.

## Industrial Gases & Chemicals

We supply industrial and speciality gases in a wide array of volumes and purities, along with related application technologies and services.

Our integrated capabilities contribute to the success of our customers at all stages of off-shore and onshore production, from exploration to refining and distribution. We provide a wide range of gases through dedicated supply modes and innovative packaging.

Furthermore, our wide variety of chemical product families and customizable formulations can help you meet ever-changing industry needs.

## Environmental Sector

ALKHORA has been a trusted resource in Iraq in environmental projects. Our goal is to make your experience as easy as possible, with qualified staff who work to provide you with value and compliant services.
